RESEARCH DAY 2017**
DRIVING INNOVATION THROUGH COLLABORATION

LONDON HEALTH RESEARCH DAY

Tuesday, March 28, 2017

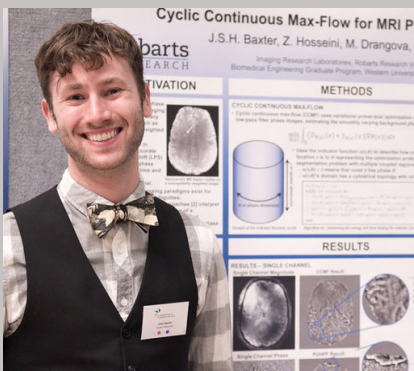

London Convention Centre

SUBMIT YOUR ABSTRACT BY JANUARY 30, 2017

London Health Research Day (LHRD) is the region's premier research showcase event, highlighting the incredible work done by graduate students, trainees, clinical fellows and postdoctoral scholars. The day includes poster and platform presentations, informative workshops, networking and awards reception, and lunch with keynote speaker Dr. Paul Thagard, renowned Canadian scientist.

NEW THIS YEAR

LHRD Poster Passports: All event participants and guests will be encouraged to visit different poster presentations in an attempt to fill up their Poster Passport and win great prizes!

Research Categories - Pilot Project: New methods and options will be available when submitting abstracts to help develop categories that better fit the research and judge expertise.
